

Dear Blacklick Valley School District parents and community,

Mlaker is proud to be part of the Blacklick Valley community servicing the district children. With the increased need for bus drivers, your children need your help! Mlaker Student Transportation and your school district are looking for individuals to become sports activity bus drivers.

School bus activity drivers transport local school sports teams to their competitions and students to educational field trips. Activity drivers can expect to drive 1-3 trips per week during the sports season. Most trips are local/within 20 miles. Trips typical start around 1:30-2 PM and end 5-7 PM. Drivers get to attend and watch local athletes compete and grow throughout their athletic career. This makes being an activity bus driver a great opportunity to attend your child's field trip or athletic game while being paid to do so.

We are also in need of daily home to school bus and van drivers. These runs are M-F 6:30-8:15 am and 2:30-4:15pm.

CDL training is provided at no cost to you through Mlaker's in-house training program. We also provide additional training and orientation for your specific run and job description.

Benefits offered

- \$2,000 family college tuition program
- 401k retirement program
- Company paid life insurance
- Attendance bonus
- Safety and performance bonus
- 24/7 accident insurance
- Critical illness insurance
